<p>Description: Some 2023 and 2024 MY Ram 1500 trucks may have been built with a steering column control module ("SCCM") where mechanisms within the turn signal lever experience an interference condition. Federal Motor Vehicle Safety Standard ("FMVSS") 571.108 S9.1.1 requires that "The turn signal operating unit must be self-canceling by steering wheel rotation and capable of cancellation by a manually operated control." A SCCM with an interference condition may not allow the self-canceling feature to function correctly.</p> <p>A turn signal which does not self-cancel and remains active after a completed turn may cause surrounding drivers to misunderstand the intent to change vehicle direction which can cause a vehicle crash without prior warning.</p> <p>Remedy: FCA US will conduct a voluntary safety recall on all affected vehicles to inspect and if necessary, replace the SCCM.</p>

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
